Modernisation of Durgapur Steel Plant

842. SHRI SANTOSH BAGRODIA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether there is a proposal under consideration of the Government to modernise the Durgapur Steel Plant;

(b) whether the proposal has since been approved by the Central Government;

(c) if so, what are the details of the proposal and how far it is likely to help to increase the production of steel in that plant; and

(d) what are the financial implications thereof?

THE MINISTER OF STEEL AND MINES (SHRI M. L. FOTEDAR): (a) to (d) Government have approved in principle the proposal to modernise the Durgapur Steel Plant and have also authorised an expenditure upto Rs. 25 crores for preliminary works. Under the contemplated scheme, the open hearth steel making process would be phased out and replaced by basic oxygen steel making process with continuous casting facilities, which would also reduce the cost of production. This would enable the plant to operate at its rated capacity of 1.6 Million Tonnes per annum of ingot steel against the present production of around 0.9 million tonnes per annum of ingot steel. The estimated cost is Rs. 1350 crores which is yet to be approved by the Government.
